Evaluation and CME Request Information

All registrants will receive emails with the evaluation links. Please complete the evaluations for the CME sessions and the conference overall. Once the evaluations are complete, you will receive a link to the CME credit request form.

Conference Charity

There are approximately 1,000 kids currently awaiting adoption in Minnesota. The Reel Hope Project creates short videos highlighting these kids so they can find their forever families. MAPA will collect donations and make one overall donation to The Reel Hope Project following the end of the 2022 Spring CME Conference.
